

Welcome to 2nd Grade!

My name is Mr. Dakota Hard and I have the pleasure of working with your child this school year. Please look for information about our open house!

A Little About Me

This will be my first year at North Adams-Jerome. Before coming here I was a long-term substitute at Quincy. I graduated from Central Michigan University with a focus on Integrated Science in Elementary Ed. I got married this summer and my wife and I have a golden retriever named Cash.

Working together, I think that we can give your child and you a great second grade experience! Communication is key in my classroom! Please feel free to always contact me with any questions or concerns. I will send home a weekly letter to keep you updated on what is going on within our classroom throughout the school year. Please look below to see a list of items that our class will use throughout the school year. Also, any extra items which you can donate would be greatly appreciated! I look forward to a great school year and can't wait to meet all of you at the open house!
