

Mrs. Hensley's 3rd Grade

Hello third graders and families!

As we gear up for another school year I am so excited to get to know each and every one of you. This year we will work hard and have fun along the way. Below I have listed some materials that will help your third grader be successful this school year. Please be sure to write your students name on anything they bring in. I have listed supplies your student will need as well as some items we will use as a class throughout this year. If you have any difficulties getting any of these materials let me know and I can help out! I look forward to seeing all of you at our classroom open house and getting to know you this school year!

Student Supply List

Scissors
Pencil Box
Two spiral bound notebooks
A glue stick
Coloring supplies (crayons, markers, colored pencils)
Whiteboard marker

Classroom Supply List

Boxes of tissues
Hand sanitizer
Pencils

3rd Grade Open house

Hello third grade families!

I hope you are all having a wonderful summer and I am looking forward to seeing all of you already. I am sending out this newsletter before school starts to let everyone know that our 3rd grade open house will be on a different day than the rest of the school. I am getting married on August 19th, and I will unfortunately be gone on my honeymoon the day of our school open house. In addition to this I will also be gone the first three days of our school year. While this is not ideal I have already lined up a wonderful guest teacher who is a retired teacher herself. You will also notice that our classroom supply list says Mrs. Hensley, as this will be my new last name.

Our classroom open house will be held on August 16th from 3-5pm. Students will have an opportunity to explore their new classroom and see where they will be spending their year. Parents and families will have a chance to meet with me and discuss any questions or concerns you may have about the upcoming year. I hope you will all be able to join me and we can get to know each other a little before the start of your students 3rd grade journey!

Thank you,

Ms. Mier (soon to be Mrs. Hensley) ☺
